Our system calculates the proration when the permit is returned. We cannot prorate backwards. If they send the permits back to me now, I can write down the February proration and put it in manually even if I receive them in March. As of now, I would not know the proration for January. It is all calculated through a formula in our system.

Thank You

Ann

Hi Ann,

The reason we did not notify you of the Lab closing any earlier was because it was not official until 2/13/13. We never used the parking lots in the interim. Would it help if I got our union attorney to verify the date of closing and our official notification of the lab closing, so Sharon and Rebeca can be reimbursed back to 1/18/13?

Thank you,

They can send it to my attention and I will be able to give them the pro-refund effective today, 2/14/13, since this is the first day we were informed that they were not using the permit.

Hi Ann,

We are working in Sudbury Mass. So it would be tough to get out to UMass during business hours. Can this be done by mail or can one person do it for both Sharon and Rebeca? Can this be pro rated to January 18th?

Thank you,

Hi James

They would need to return their permits to Parking Services for a pro-rated refund. Just have them come to our campus center office with their permits and we will fill out a form for their refund.

Thanks

Ann

Hi Ann,

The Amherst Drug Lab located in Room N251 Morrill I was closed January 18th 2013. We have 2 employees: Sharon Salem and Rebeca Pontes who would like to get a refund on their parking fees. How do we go about this?
